Macaulay Combination.

The famous Mr. B. Macaulay will be at Kimball's Hall on Tuesday evening next in his humorous characterization of "Uncle Dan", in the new and typical American comedy of "A Messenger from Jarvis Section." A full company will support him and a rich treat is in store. They bring the necessary scenery, increase the size of the stage and provide chairs for the audience, all of which will prove of interest to the public.

I. O. G. T. Picnic.

The Good Templars of Western Nevada are thinking of holding a picnic sometime about the middle of July at Bower's Mansion should it come off. The Good Templars of the Comstock, Eagle Valley, Washoe Valley and Reno will unite, and have a big time.

The Sunday School excursion train from Chicago will be through Reno at about 3 o'clock this morning. They breakfast at Truckee. We do not know of any joining them from here though several talked of it.

Several ladies left last night to attend the Nevada County Reunion at Grass Valley to-morrow. The big fire demoralized the men so much that they cannot afford to attend, much as they would like to.

One wealthy gentleman of Virginia City has subscribed for one hundred copies of Harry Higgs' "Sagebrush Leaves." We hope Reno will take a couple of hundred copies.

Cunningham & Winchel's cellar is to be ready by July 1st, at which time the foundation walls will also be ready for the superstructure.

A mining claim was located in Peavine yesterday, from which assays of over three hundred dollars were had from the average rock.

A 6-foot board fence is being put around the convent yard. A large force of men are at work on the building and fence.

Flies, flies, dust, bad bugs, tramps and other evidences of Summer are getting numerous.

Mr. Tredway goes below to night in the interest of the Robertson furnace.

County Commissioners.

MONDAY'S PROCEEDINGS.

On motion of E. Olinhouse it was ordered that the minutes of the Board be corrected so that the same shall not show any other or additional bid by the Hall Safe Co. than the bid amounting to \$2,483.

Petition and remonstrance of the tax payers in relation to and against vault and safe contract awarded to Diebold, Norris & Co., and asking that the same be annulled.

Ordered, that the orders heretofore made in relation to the awarding of the contract for building a fire-proof vault and the furnishing of a burglar-proof safe and time lock be annulled on account of the same not being legal, and that the County Clerk advertise for the same for a period of 30 days, fully setting out the plans and specifications of the work required in the advertisement.

Upon application of Mrs. Cole relief was granted and the sum of \$8 allowed, she stating that if she got the relief she would be able to go to her husband at Bodie.

Ordered, that James Chambers be permitted to construct and maintain a flight of steps in front of his two-story brick building situated on the west side of south Virginia street, on the south one-half lot in block O, said flight of steps not to exceed three feet in width and to be located in the street in front of his building and attached to and running parallel with the sidewalk, and to terminate and land upon the balcony over said walk.

Board adjourned.

TUESDAY'S PROCEEDINGS.

Report of A. J. Hatch on the petition of B. F. Leete for laying out road was received, and it was ordered that it be referred back to the road viewers.

Ordered, that R. H. Kenney draw \$65 for the purpose of sending Luther, a pauper, to New York.

Ordered, that the District Attorney commence suit against J. S. Shoemaker, J. E. Jones, A. K. Lamb and P. B. Comstock for any amount they may have received from the County Treasurer for fees in excess of their legal fees as Clerks and Sheriffs; that the records be examined as far back as 1873, and suits be instituted against the above named county officers in the order in which they are arranged for any amount that they may have received in excess of their legal fees from that date. The County Auditor is hereby authorized to assist the District Attorney in preparing the necessary facts and papers for the commencement of the suit, and that he be allowed a reasonable amount for his services.

Whereas the Board of County Commissioners passed an order on the 7th day of May directing the District Attorney to make up an agreed case in relation to the fees of the certain county officers, and whereas the same has not yet been prepared, it is ordered that the District Attorney proceed in the matter immediately as in said order directed.

Summer Clothing.

Those who want anything in the way of Summer clothing will do well to call at the White House, where will be seen the largest and finest stock in the State, fresh from Frisco and the East. They have all the latest styles of Summer wear and are constantly receiving novelties from the East. They sell everything at prices which warrant quick sales. No fault will be found with their prices by persons who know anything about goods.

Long Beards.

Reno has two gentlemen with long beards, the longest in the State. Mr. Mason and Mr. Jones are the gentlemen referred to. The former has a dark one, the latter a sandy; both extend down nearly to their boots. They usually keep their beards braided up under the chin, but when they walk along, the beards down, strangers are sure to notice and comment.

Suits Commenced.

The Board of Commissioners yesterday ordered the District Attorney to commence suits against J. E. Jones and A. K. Lamb, ex-Sheriffs, and J. S. Shoemaker and P. B. Comstock, ex-Clerks, to recover any illegal fees they may have collected during their term of office.

State Fair Races.

The trustees of the Reno Agricultural Society have arranged for fifteen races at the coming fair. [Enterprise.]

Beg leave to correct you. There will be 23 races in all—15 running, and 8 trotting; the best programme ever arranged.

The Ball To-night.

A very pleasant time is assured to all who attend the ball to-night. The ladies have done noble service, and their efforts should be appreciated. It can be done in no better manner than to buy a ticket and go to the ball.

Personal.

E. A. Littlefield, editor and proprietor of the Elko Post, came in from the Great East night before last, and continued on to the Comstock yesterday morning. He is expected to be in Reno to-day.

Removal.

Henry Ruhe will remove his market to the new place to-morrow. He has had everything nicely arranged. Henry is one of our solid citizens and we wish him the best of luck.

Flour Mill.

The store room is very nearly complete, and the foundations for the mill itself laid. It will be some time before the mill will be ready for work, but will be ready to store grain very shortly.

More Salmon.

Several thousand young salmon were placed in the Truckee yesterday.

To-morrow will be "visiting day," and the San Francisco experts will pass through to the Comstock to-morrow morning.

The Pyramid fish law cases were on trial before Judge Hillyer, in Carson yesterday.

The Commercial Row new brick block of stores will be ready for tenants in a few days.

The lumber for the new Baptist Church is being brought to the ground.

The hot spell is with us, and now we wish for cooler weather.

Stocks are steady and strong.

WORKINGMEN'S TICKET.

The W. P. C. opened the California campaign yesterday. A dispatch of the evening before stated the following probabilities: William F. White of Santa Cruz seems to have the inside track for Governor, though Downey has some backing from the southern delegates. Blackie Fikington, the State Grange lecturer, and J. V. Webster of Alameda are also talked of. It is generally admitted that the county delegation will name the most of the ticket. Judge McKinstry is the most prominent for Chief Justice. Judge S. B. McKee is also talked of. No pledges will be required of the judicial candidates. Beerstecher and Bob Fernal are mentioned for Congress from this district, and Clifton Barbour for Railroad Commissioner. General George Stoneman finds favor for Railroad Commissioner in the Third District, and Warren Chase and John F. Green for Congress from the Fourth District. Judge Morrison of the Fourth District Court is likely to be nominated for one of the Associate Justices.

If Louisiana negroes who start for Kansas are so ignorant that they believe Grant will take care of them and that Jeff Davis wants to enslave them, it is high time that they get out of Louisiana into Kansas, where they learn something.

Blaine has given notice of the following amendment proposed to be offered by him to McDonald's resolution:

Resolved, That inasmuch as the Third, Sixth and Eighth Congressional Districts of Georgia, the Sixth and Eighth Districts of North Carolina, and the Third, Fourth, Fifth and Sixth Districts of Mississippi, cast at the last election an aggregate vote of only 39,571 almost entirely for the candidates of the Democratic party, and inasmuch as at the preceding election in 1876 the candidates of the Republican party in these districts received an aggregate vote of 59,739, the said committee is instructed to inquire whether within these districts, or any of them, there was fraud or undue influence practiced against the citizens at the late election, or whether there was the denial of the right to vote to any citizens of the States respectively named herein, and that in making these inquiries the committee shall have the right to send for persons and papers.

The Eureka Sentinel has entered upon a new volume. The Sentinel is, next to the Enterprise, the best paper in the State.

TALK IS CHEAP.—And so are fine clothing, boots, shoes, and gentlemen's and boys' fine furnishing goods, if you go to the right place to get them. This is a mighty important point, for some people who assert that they sell cheap do nothing of the kind. I do not boast when I say that I defy competition in prices in anything in my line. Besides this I have only one price. I have no preferred customers. Everybody is treated alike at my establishment. My stock is the largest and most complete ever offered in any part of this State. Everything I have is new. No old, musty and out-of-date goods can be found on my shelves. I receive daily by rail and express the latest and best goods, which are obtained at first hand and sold at prices below those now prevailing in New York and Chicago. Let the people come and judge of my prices and examine my stock before going into those humbugging, Cheap John shops, in which they drum into the ear of the customer that they sell at cost and even below cost. Anybody with common sense must know that they lie. No store-keeper sells goods for the fun of the thing. I make a profit on everything I sell, as every honest merchant does, and don't print foolish falsehoods in the vain hope of deceiving the public. One must make a profit to live. I particularly call attention to my full stock of fancy underwear, such as is kept nowhere else in Reno. This class of goods forms one of my specialties. Remember the place. Deal Gently with the Stomach if it proves refractory, mild discipline is the thing to set it right. Not all the nauseous draughts and boluses ever invented can do half as much to remedy its disorders as a few vine-glassfuls—say, three a day—of Hostetter's Stomach Bitters, which will afford it speedy relief, and eventually banish every dyspeptic and bilious symptom. Sick headache, nervousness, allowances of the complexion, fur upon the tongue, vertigo, and those many indescribable and disagreeable sensations caused by indigestion, are too often perpetuated by injurious dosing. An immediate abandonment of such random and ill advised experiments should be the first step in the direction of a cure; the next step the use of this standard tonic alternative which has received the highest medical sanction and won unprecedented popularity.

INSURANCE.—We desire to say to our insurance patrons and owners of property generally that we have secured the services of Mr. T. B. Camp, a professional insurance man who has had several years practical experience in the business and is thoroughly posted in all its details. He will give his entire time and attention to the business of insurance, thus securing care and skill in the writing of policies, so as to properly cover the risks, which is of great importance, as many sufferers by the late fire may recall, as it might have saved them hundreds of dollars in the adjustment of a loss. We shall issue policies and adjust losses at our office.

D. A. BENDER & Co., Agents.
